

# 4DOOR SERIES POWER SUPPLY PILLAR

 **K-Mac  
Powerheads**  
plug into safety.....

## K-Mac Powerheads new 4DOOR series truly is 'the head with all the smarts'

Your initial decision to invest in K-Mac Powerheads is now made so much easier. The new 4DOOR series powerhead is a true chameleon. The base model can morph into any upgraded version you choose - either now, or down the track. In short, we have future-proofed the 4DOOR series, making expensive upgrades or change-overs a thing of the past. Any additional or new features you want in the powerhead are now simply economical 'add-ons'. If you want it, we'll put it in the new 4DOOR K-Mac Powerhead - now, next week, or in 5 years.

### What you still get with every K-Mac Powerhead:

- Bullet-proof product, built safe, for your peace of mind
- Unmatched value for money
- Unmatched product guarantees
- Over 65 years of our industry experience - gratis
- Our design experience means low maintenance and fast maintenance - saving \$\$\$s
- We source recyclable, core components
- You also get 'Never ending' after sales service
